

Adair marching band seniors from left, Austin Wolford, Kelly Jones, Leslie Ferguson, Courtney Quirez, Ashley McClean, field commander Kyndal Caldwell, Laura Akin, Brittney Curry, Kenzie Rogers, Anna Murrell, Nealia Baker, and Chad Scholl display their finals awards from the Nelson County Pageant of Bands. They came home with a distinguished rating, Best Overall Color Guard, Best Overall Visual Performance, and Grand Champions. In front is the Head Director of the Adair Band, Tom Case.

Band adds to trophy case

The Adair County High School Marching Band traveled to Bardstown on Saturday to compete in the Nelson County Pageant of Bands at Nelson County High School.

Finals Results:

- Adair County was named Grand Champion
- Russell County received Reserve Grand Champion
- Spirit Award went to Adair County Band
- Best Overall Colorguard was awarded to Adair

County

- Best Overall Percussion was awarded to Russell County
- Best Overall Music was awarded to Russell County
- Best Overall Visual was awarded to Adair County

Preliminary Awards for Class AAA:

- Best Colorguard was awarded to Adair County
- Best Percussion was awarded to Russell County
- 3rd place - Taylor County

• 2nd place - Russell County

• 1st place - Adair County
The Adair County High School Band will not compete this weekend.

The Adair County Band will perform for the homecoming festivities tomorrow evening at the football game at Adair County High School.

The next contest for Adair County High School marching band will be Saturday, Oct. 11, at Madison Central High School in Richmond.

Emergency services ball game returns

The 3rd annual emergency services basketball game will take place Monday, Oct. 13 at 7 p.m. in the Adair County High School gym in honor of the late Tony Grider.

Admission is \$5, and all admission proceeds will go directly to Grider's family. There will be door prizes and concessions.

The emergency services basketball game was started two years ago by Grider and Shannon Rowe, a Search and Rescue board member.

"It (the game) was a time

for all of us to come together and have fun and not have to worry about having to be out on the scene of an accident," Rowe said. "It took away all the stress."

This year, the annual basketball game will honor one of its founders and a valued member of the community.

Grider's Adair County emergency services activities included serving on the Search and Rescue board of directors, as a part time EMS paramedic, and as a volunteer firefighter for the fire department. He also

served in the Taylor County Fire Department and the Green County EMS, which will also be represented at the game.

"Emergency services is like a big family," Rowe said. "We're coming together to honor one of our fallen brothers who we cared and loved for so much."

Rowe encourages members of the community to come out to the game to help support emergency services and Grider's family.

Extension building expanding

Staff moving to temporary offices

Adair County Cooperative Extension is getting a much-needed expansion. After years of preparation, a final plan has been put into action.

The expansion was officially approved during the first week of September, and construction began the next week.

"Hopefully somewhere around the first of May we'll be finished, if all goes well weather-wise and everything else," said Tony Rose,

county 4-H agent.

Strehl Builders, Inc., in Somerset, received the bid for the expansion that will provide more space for meetings and other necessities. Rose said that current space has not been large enough to hold everyone or everything.

"The addition's going to be about 4,999 square feet of meeting room space, which is dividable, with restroom and a kitchen area," Rose said. "And then

we're remodeling our existing office to fix it for storage and meeting room space."

Rose said the cost of the project is around \$1.6 million, including renovation, equipment and furnishings.

Employees of the extension office will be moved to a temporary location next week in the Farm Bureau building on Grant Lane, where they will remain for the next several months.

Schools go under lock down

Continued from front page

dents stay in one location throughout the event.

At 1:54 p.m. the juvenile was located by CPD Sgt. Murphy and Chief Cross on Greensburg Street off school property and taken into custody. No weapons were found.

The student had been suspended the previous day. Reed would not confirm but a source told the Community Voice that the student rode the bus to school that morning because his

guardian did not know he had been suspended. He returned to campus to ride the bus back home.

Reed said he received a complaint that a telephone messenger system was not used but there just wasn't time, Reed said.

"Protect students first, then go from there," he said.

Reed said he was "thrilled" with the response of law enforcement and school staff.

"We've got a pretty good team. Most of the time you don't even have to execute

the plan, but when you do it's good to know it works," Reed said.

Reed and Chief Cross both said the incident demonstrates the importance of the School Resource Officer.

"We could not run our system in a safe manner without an SRO," Reed said.

Cross said it is also an example of why officers are allowed to take cruisers home when they are off duty. They are expected to respond in emergencies such as this, he said.

Re-Elect Harrison Moss

ADAIR COUNTY SHERIFF

To the Great Citizens and voters of Adair County:
My name is Harrison Moss and I am the incumbent candidate for Adair County Sheriff.

I have been married to Shirley Dulworth Moss for 32 years. We have one son, Matthew Harrison Moss, whose wife is Tessa Primm Moss. Their son and our grandson is Matthew Edward Harrison Moss. We are expecting grandchild #2 in December. I am very proud to have a Christian family.

When I campaigned for Sheriff in 2010, I remember the promises I made: To be honest, fair, dependable, to stand against all criminal activity, to follow all leads, to serve all Adair Countians and to have a productive and efficient sheriff's office. These promises have been fulfilled. Our door is always open. It is our job to assist you and we are glad to do so.

Our activity has increased tremendously. We have had three deputies academy trained since 2011. Now all deputies are academy trained. We have deputies on duty or on call 24 hours a day, seven days a week. Our projected required yearly training is focused on the needs of each deputy and myself to better serve the county.

While our budget is very strenuous, we have never gone over our budget. We have a good working relationship with all local law enforcement agencies, and surrounding agencies. It is very important to maintain these relationships as we are all striving to make our county safer for all that live here.

I will protect and uphold our Constitutional right to keep and bear arms. I am a member of the Kentucky Sheriffs Association and the National Sheriff Association.

I will not participate in negative or deceitful campaign tactics. If you have questions or concerns, contact me at any time.

It is time for you, the voters of Adair County, to decide who will serve you as your sheriff for the next four years. I ask you to please consider my record and experience in the position of sheriff when you make your decision. I humbly ask for your vote and support. I will try to see as many of you as possible. If I don't see you, please know that I would appreciate your vote on Nov. 4 and your vote for me will be continued honesty, integrity and dependability in your sheriff's office.

Sheriff Harrison Moss

Paid for by Harrison Moss.
